

Swachhata Hi Seva (SHS) campaign at ICAR – Directorate of Cashew Research , Puttur

On 2nd October, 2019 as part of the SUP free India campaign, cleaning drive was organized near the Directorate of Cashew Research, Puttur. We visited the nearby Mukrampady and Mottettadka villages. The wastes along the road side, around the bus stand etc. were picked up covering around 1 Km. Banner bearers, exhibiting 'swacctaha hi seva' slogan were moving along with us while picking the wastes. The Panchayat member was also present. Half tractor full of plastic waste was collected in a short time of one and a half hour.

In the end group photo was taken and snack was distributed. Authorities thanked all the participants for taking active part in SHS organized at the Directorate.
