Instruction for Online Bid Submission:

The bidders are required to submit soft copies of their bids electronically on the CPP Portal, using valid Digital Signature Certificates. The instructions given below are meant to assist the bidders in registering on the CPP Portal, prepare their bids in accordance with the requirements and submitting their bids online on the CPP Portal. More information useful for submitting online bids on the CPP Portal may be obtained at: [www.eprocure.gov.in](http://www.eprocure.gov.in).

REGISTRATION:

- Bidders are required to enroll on the e-Procurement module of the Central Public Procurement Portal (url: [https://eprocure.gov.in/eprocure/app](https://eprocure.gov.in/eprocure/app)) by clicking on the link ‘Click here to Enroll’. Enrolment on the CPP Portal is free of charge.
- As part of the enrolment process, the bidders will be required to choose a unique username and assign a password for their accounts.
- Bidders are advised to register their valid email address and mobile numbers as part of the registration process. These would be used for any communication from the CPP Portal.
- Upon enrolment, the bidders will be required to register their valid Digital Signature Certificate (Class II or Class III Certificates with signing key usage) issued by any Certifying Authority recognized by CCA India with their profile.
- Only one valid DSC should be registered by a bidder. Please note that the bidders are responsible to ensure that they do not lend their DSCs to others, which may lead to misuse.
- Bidder then can logs into the site through the secured login by entering their user ID / password and the password of the DSC / e Token.
SEARCHING FOR TENDER DOCUMENTS:

- There are various search options built in the CPP Portal, to facilitate bidders to search active tenders by several parameters. These parameters could include Tender ID, organization name, location, date, value, etc. There is also an option of advanced search for tenders, wherein the bidders may combine a number of search parameters such as organization name, form of contract, location, date, other keywords etc. to search for a tender published on the CPP Portal.

- Once the bidders have selected the tenders they are interested in, they may download the required documents / tender schedules. These tenders can be moved to the respective `My Tenders’ folder. This would enable the CPP Portal to intimate the bidders through SMS / E-mail in case there is any corrigendum issued to the tender document.

- The bidder should make a note of the unique Tender ID assigned to each tender, in case they want to obtain any clarification / help from the Helpdesk.

PREPARATION OF BIDS:

- Bidder should take into account any corrigendum published on the tender document before submitting their bids.

- Please go through the tender advertisement and the tender document carefully to understand the documents required to be submitted as part of the bid. Please note the number of covers in which the bid documents have to be submitted, the number of documents – including the names and content of each of the document that need to be submitted. Any deviations from these may lead to rejection of the bid.

- Bidder, in advance, should get ready the bid documents to be submitted as indicated in the tender document / schedule and generally, they can be in PDF / XLS / RAR / DWF formats. Bid documents may be scanned with 100dpi with black and white option.

- To avoid the time and effort required in uploading the same set of standard documents which are required to be submitted as a part of every bid, a provision of uploading such standard documents (e.g. PAN card copy, Registration certificate & License copy etc.) has been provided to the bidders. Bidders can use ‘My Space’ area available to them to upload such documents. These documents may be directly submitted from the ‘My Space’ area while submitting a bid, and need not be uploaded repeatedly. This will lead to a reduction in the time required for bid submission process.

SUBMISSION OF BIDS:

- Bidder should log into the site well in advance for bid submission so that he/she upload the bid in time i.e. on or before the bid submission time. Bidder will be responsible for any delay due to other issues.

- The bidder has to digitally sign and upload the required bid documents one by one as indicated in the tender document.

- Bidder has to select the payment option as ‘offline’ to pay EMD as applicable and enter details of the instrument(s).

- The server time (which is displayed on the bidders’ dashboard) will be considered as the standard time for referencing the deadlines for submission of the bids by the
bidders, opening of bids etc. The bidders should follow this time during bid submission.

- All the documents being submitted by the bidders would be encrypted using PKI encryption techniques to ensure the secrecy of the data. The data entered cannot be viewed by unauthorized persons until the time of bid opening. The confidentiality of the bids is maintained using the secured Socket Layer 128 bid encryption technology. Data storage encryption of sensitive fields is done.

- The uploaded tender documents become readable only after the tender opening by the authorized bid openers.

- Upon the successful and timely submission of bids, the portal will give a successful bid submission message and a bid summary will be displayed with the bid no. and the date & time of submission of the bid with all other relevant details.

ASSISTANCE TO BIDDERS:

- Any queries relating to the tender document and the terms and conditions contained therein should be addressed to the Tender Inviting Authority for a tender or the relevant contact person indicated in the Tender.

- Any queries relating to the process of online bid submission or queries relating to CPP Portal in general may be directed to the 24*7 CPP Portal Helpdesk. The contact number for the helpdesk is 1800 233 7315.

GENERAL INSTRUCTIONS TO THE BIDDERS:

- The tenders will be received online through portal https://eprocure.gov.in/eprocure/app. In the Technical Bids, the bidders are required to upload all the documents in .pdf format.

- Possession of Valid Class II/III Digital Signature Certificate (DSC) in the form of smart card/ e-Token in the company’s name is a prerequisite for registration and participating in the bid submission activities through https://eprocure.gov.in/eprocure/app. Digital Signature Certificates can be obtained from the authorized certifying agencies, details of which are available in the web site https://eprocure.gov.in/eprocure/app under the link ‘Information about DSC’. Tenderers are advised to follow the instructions provided in the ‘Instructions to the Tenderers for the e-Submission of the bids online through the Central Public Procurement Portal for e-Procurement at https://eprocure.gov.in/eprocure/app."
Annexure I: INVITATION FOR BIDS (IFB)

In case bidder requires any clarifications / information, they may contact ICAR-DCR, PUTTUR address.

**Annexure II: INSTRUCTIONS TO BIDDERS (ITB)**

1. **Locations for the Work**

   The entire works as described in Schedule of Requirements must be undertaken at ICAR – Directorate Cashew Research, Puttur 574 202, Karnataka

2. **Order Placements:**

   The Work Order shall be released by: *Director, ICAR- Directorate Cashew Research, Puttur 574 202, Karnataka*

   The payments shall be released by: *Director, ICAR- Directorate Cashew Research, Puttur 574 202, Karnataka*

3. **Eligibility Criteria:**

   a. The bidders should submit the required documents/financial instruments as stipulated in para 3 of Annexure-I.

   b. The bidder must not be blacklisted by ICAR-DCR, Puttur or any other Educational/R&D/Govt. organizations. A certificate or undertaking to this effect must be submitted.

   Note: The bidders should provide sufficient documentary evidence to support the eligibility criteria. ICAR-DCR, Puttur reserves the right to reject any bid not fulfilling the eligibility criteria.

4. **Amendment to Bidding Documents**

   4.1 At any time prior to the deadline for submission of bids, ICAR-DCR, Puttur may, for any reason, whether on its own initiative or in response to the clarification request by a prospective bidder, modify the bid document.

   4.2 The amendments to the tender documents, if any, will be notified by release of Corrigendum Notice in print media / website. The amendments/ modifications will be binding on the bidders.

   4.3 ICAR-DCR, Puttur at its discretion may extend the deadline for the submission of bids if it thinks necessary to do so or if the bid document undergoes changes during the bidding period.
5. **Earnest Money Deposit (EMD)**

- The Earnest Money Deposit (EMD)/EMD Exemption Certificate must be submitted prior to the DUE DATE of submission of the online bid of amount show in tender notice/schedule should be remitted as EMD in the form of Demand Draft in favour of ICAR Unit DCR, Puttur payable at PUTTUR.

- The bid submitted without EMD/EMD Exemption Certificate shall stand rejected. No interest shall be payable on EMD.

- The EMD will be returned to the bidder(s) whose offer is not accepted, within 30 days from the date of opening of Technical bid(s). In case of the bidder whose offer is accepted, the EMD will be returned on submission of Performance Security. However, if the return of EMD is delayed for any reason, no interest/penalty shall be payable to the bidder.

- The successful bidder, on award of contract/order, must send the contract/order acceptance in writing, within 7 days of award of contract/order, failing which the EMD will be forfeited and the order will be cancelled.

6. **Submission of Bids- Online PDF format only.**

   Tender should be duly filled in (on the assigned space), duly signed with the digital signature and submitted online. All mandatory fields marked (*) have to be filled by the tenderers.

7. **Deadline for Submission of Bids – Online Only.**

   7.1 Bids must be received by ICAR-DCR, Puttur before the due date and time at the address specified in the tender document.

   7.2 ICAR-DCR, Puttur may extend this deadline for submission of bids by amending the bid documents and the same shall be suitably notified in the media.

8. **Late Bids**

   ICAR-DCR, Puttur shall not be responsible and liable for the delay in receiving the bid for whatsoever reason.

9. **Bid Opening & Evaluation of Bids:**

   9.1 The Electronic tender will be opened only after stipulated closing date and time of tender as shown in the website. The technical bids will be evaluated in two steps. The bids will be examined based on eligibility criteria stipulated at Annexure - II to shortlist the eligible bidders.

   9.2 The technical bids of only the short-listed eligible bidders shall be evaluated based on technical specifications stipulated at Annexure – IV.

   9.3 The bidders whose technical bid is found to meet both the requirements as specified above will qualify for opening of the Technical bid and will be informed about the date and time of the opening of the Technical bid.

   9.4 The duly constituted Tender Evaluation Committee (TEC) shall evaluate the bids.

10. **Comparison of Bids**

   10.1 Only the short-listed bids from the bid evaluation shall be considered for commercial comparison.

   10.2 The Technical bids will be evaluated on the basis of prices quoted. The contract will be awarded to lowest evaluated bidder.
11. **Award of Contract**

11.1 ICAR-DCR, Puttur shall award the contract to the eligible bidder whose technical bid has been accepted and determined as the lowest evaluated commercial bid based on the Grand Total calculated of all items etc. of the Commercial Bids.

11.2 If more than one bidder happens to quote the same lowest price, ICAR-DCR, Puttur reserves the right to decide the criteria and further process for awarding the contract, decision of ICAR-DCR, Puttur shall be final for awarding the contract.

**निवेदन और शर्तें General Terms & Conditions:**

1. Before quoting for the tender, it is requested to kindly go through the tender document thoroughly and abide by all the terms and conditions given.

2. Before quoting the rates, the tenders/bidders in their own interest are instructed to visit the site for understanding the work conditions, nature of work involved, etc

3. Quotations received after due date and time shall not be entertained.

4. The quoted rates must be valid for 90 days.

5. Rates quoted must be given in the prescribed format in BOQ only including Tax/GST.

6. The agency should furnish an Earnest Money deposit of amount shown in tender notice/tender schedule along with bid in the form of Account Payee Demand Draft from any of the Commercial banks in favour of “ICAR Unit DCR, Puttur” payable at State Bank of India, Puttur Branch. Name of the Tenderer and Tender reference number has to be written behind the EMD DD/Bankers cheque. The Scanned copy of EMD by way of Demand Draft/Bankers Cheque in PDF format should be attached in Cover-I of the E-tender. The offer without EMD/EMD Exemption certificate will be rejected. The EMD will be returned to the unsuccessful bidders after the orders are placed with the successful bidder. The EMD will be forfeited if the bidder fails to accept the order based on his/her bid or fail to carry out the work. The quotation must be for the whole work and not in fragments. The EMD or EMD/Tender Fee Exemption Certificate etc. must be submitted in person or through post/ courier so as to reach on or before the due date and time.

7. **Contractors must quote rate for each item of work.** While entering if any of the cells is found to be left blank, the same shall be treated as ‘0’ (Zero). Therefore if any cell is left blank and no rate is quoted by the contractor the rate of such items shall be treated as ‘0’(zero) and the item of work shall be done free of cost.

8. The Institute will not supply any tools, equipment, materials. The Contractors has to make their own arrangement.

9. Works are to be executed strictly as per the specification mentioned in the tender document, failing which, payment will not be made.

10. Income Tax will be deducted at source from the bill as per prevailing rules. Further GST and other tax will be paid directly to the concerned department by the contractor as per rule and same show in final bill. Further after remittance copy of the same should be furnished at this Office.

11. The rates quoted in the Financial bid shall be treated as final rates and no escalation of rates shall be entertained.
12. The payment shall be released only after the final bill is submitted by the contractor after Physical completion of work and as per the actual measurements at Site. No part Payment/supplementary/enhanced/revised shall be considered in any circumstances.

13. 10% the total amount quoted shall be deposited with the Institute by means of DD as Performance security within 7th day of the award of the work. This amount shall be refundable without any interest after completion of all contractual obligations and guidelines as per GFR.

14. The defect liability period is six months after completion of the Work. Any defect arising in the defect liability period is to be rectified by the Contractor without any extra cost.

15. The agency has to abide by rules and regulations pertaining to labour act. The Contractor has to take all necessary steps for the welfare measures of labour employed at Site.

16. The agency is fully responsible for providing medical facilities to their labourers in case of any accident etc. Matters related to labour welfare/problems should be dealt by the contractor only. DCR, Puttur shall not be responsible in such matters.

17. Legal jurisdiction for all disputes shall be within the purview of the Puttur Courts.

18. The work has to be completed in 45 Days from the date of receipt of work order.

19. Penalty clause to be imposed at 0.25% per month subject to maximum of 2.5% of the total cost of works if work not completed within the schedule time or mutually extended time.

20. No labour of the contractor will be allowed to stay within the campus/site of the work.

21. Please note in case of closing/opening day of the tender happen to non-working day due to bandh/strike/holiday etc., the tender will be opened on the following working day.

22. The decision of the Competent Authority shall be final to select the competent firms/contractors.

23. Conditional bid will be treated as non-responsive bids and will be rejected without consideration.

The Director, DCR, Puttur reserves the right to accept or reject any tender/all tenders without specifying any reason whatsoever. No correspondence shall be entertained in this regard. The decision of the Director shall be final and binding on all concerned in such matters.

I/We hereby tender for the execution of the works referred in the aforesaid document upon the terms and Conditions contained in referred to therein and in accordance in all respects with the specification, design and other relevant details at the rate contained in schedule of items of works.

I agree to undertake and execute the works as per the terms and conditions

(END OF Annexure II)

**Development of 4 offline software for kiosk, & 4 offline android mobile apps using the software**

A. Offline software for use in Kiosk

1. Cashew Nutrient Deficiencies

By clicking on the main icon, a block of 12 images should open.

Choose language: Presently the software is being developed only in English. But provision should be provided to add more languages and change languages.

a. About Cashew: A small write-up along with photo. Photo should be clickable to get enlarged view.
b. About the software: A small writeup is to appear on clicking this
c. Links to other resources: This page shall contain links to some other websites and mobile Apps.
On clicking each image, it should open in new window, with a short description and 5-10 images. Each of these images should be further clickable to give a larger view. One example is given below. Like this 12 nutrients are there.

---

**ICAR-DIRECTORATE OF CASHEW RESEARCH, PUTTUR**

**Nitrogen**

**Deficiency symptoms**
- Stunted growth
- Deficiency in older leaves,
- Old leaves turn light green to yellow

**Management**
- Follow the nitrogen application as per recommendation for the region based on soil test
- Apply FYM @10-15 kg/tree
- Undertake foliar application of urea 3% urea at weekly intervals till the symptoms disappear.

**Buttons to go to main menu, exit etc.**

---

Each page should be provided with navigation keys for moving to other pages, main menu and to exit. The common side bar shall be visible throughout the application wherever the user is in the software.
For the mobile App, the layout may be suitably modified to make it easy to view and navigate using mobile. For initial login screen etc for the mobile App, please see later part of this document.

2. Cashew Site Suitability Evaluator

On clicking the main icon, the sub menus should be visible.

<table>
<thead>
<tr>
<th>Choose language</th>
</tr>
</thead>
<tbody>
<tr>
<td>Home</td>
</tr>
<tr>
<td>About Cashew</td>
</tr>
<tr>

Choose language: Presently the software is being developed only in English. But provision should be provided to add more languages and change languages.

a. Cashew pests and management:

- On clicking each pest (major pests, minor pests, secondary and other pests), the page having details on Pest species, Damage symptoms, Life cycle, Management measures and additional information (Host range, season, extent of damage, natural enemies etc.) need to open.

- Additional information can be given in separate page by clicking the link.

Each of these images should be further clickable to give a larger view. One example is given below.
Above information will be provided for two major pests, 7 secondary pest and 10-12 other pests with slight modification.

- Each page should be provided with navigation keys for moving to other pages, main menu and to exit.
- The common side bar shall be visible throughout the application wherever the user is in the software.
- About the software: A small writeup is to appear on clicking this
- Links to other resources: This page shall contain links to some other websites. Required only for the mobile App and internet may be required for using this.
- Rate the App (only for App/internet required)
4. Diseases of cashew

First page

- On clicking diseases of cashew, a page with list of diseases will open (9 diseases), on clicking each name a page with details on causal organism, symptoms with photos has to open.

- On clicking additional information on same page, details on management measures, reported areas, references have to open in a separate page.

- Each of these images should be further clickable to give a larger view. One example is given below.

- Each page should be provided with navigation keys for moving to other pages, main menu and to exit.

- The common side bar shall be visible throughout the application wherever the user is in the software.
Damping off

Causal organism

*Pythium* spp., *Phytophthora* spp., *Fusarium* spp. and *Rhizoctonia solani*.

Symptoms of damage

- The disease occurs in nurseries where drainage conditions are poor. Collar region of infected seedlings appear swollen with a band of blackened tissues around the stem.
- Affected plants turn pale and eventually topple over or rot. In severe cases, the leaves show water soaked translucent areas which enlarge and coalesce subsequently.
- Close spacing, continuous nursery growing, cool, wet, highly organic and neutral to basic soils favour damping off diseases.

Additional information

Spraying of Ceresan WP at 0.1 % or Bordeaux mixture 0.5-1.0 % will effectively manage this disease (Reference)

B. Developing Four offline android mobile Apps using the softwares developed for Kiosk as above

Using the all above four softwares developed for use in Kiosk, four offline mobile Apps are to be developed. For the mobile App, the layout may be suitably modified to make it easy to view and navigate using the mobile.
Screen 1: Splash Screen

This screen will be the opening screen when a user will enter in the application showing the logos of DCR and the name of the app (and other, if any).

Screen 2: Login/Registration

This screen will have two options: Login and registration feature to enter in the application. The registration would be both -> through email and/or social log-in (Facebook, Google)/mobile number. All the registered users data can be managed through the backend and upon each user registration, admin would be notified (though email). Designed in such a way as to enable the mobile OTP based login. But at present that package not to be included. Being offline App, registration is required only for the first time and this message also need to appear while initial setup.

Till this step, the user will require internet connectivity.

Screen 3: Dashboard/Home Page

After successfully logging in, the user will be redirected to the home page. Where the user will see the “About the software” or Home page.

Screen 4: Side bar Menu

This menu can be seen on once a user drags the screen from the side to the center of the home page. This side menu will contain options like:

- Change language
- Home
- Share the app
- Other Resources
- Log out

Please use the same side bar as in the software. It will be common side bar, which will be visible throughout the application wherever the user is in the mobile application.
Screen 5: Lower Menu bar

This section will be on the footer of the application, common for the entire screen so that the user can jump to one module to another.

FLOW OF THE APP

<table>
<thead>
<tr>
<th>Home page</th>
<th>Log-in page</th>
<th>Side bar</th>
<th>Lower bar</th>
</tr>
</thead>
</table>

The design is indicative only.

There shall be option to request / update automatically when the user is connected to internet once in every 3-6 months. And automatically send the statistics on usage to the admin.

Other terms and conditions

1. Statistics of usage

Wherever possible the facility should be made available to gather usage statistics in softwares, like no. of times the software opened.

2. Deliverables

- Selected firm is expected to complete the work within 45 days of receiving the work order.
- Selected firm has to share the design documents with ICAR-DCR, Puttur for review and sign off.
• The firm has to submit the user manual (pdf and video), admin manual, test plan and test results.
• The firm has to submit the application code, web APIs and deployment document in hard disk.
• Technical documentation of design and development, complete source code and training to admin need to be provided.

3. Designs
• Application should be built in such way that it is easy to use and navigate and attractive.
• All the designs have to be provided to ICAR-DCR.
• All the excel sheets containing formula, write ups, document and images/videos will be provided by ICAR-DCR, Puttur.
• Creative ideas and design will be copy right of ICAR-DCR, Puttur.

4. Hosting
• The mobile app has to be hosted in www.cashew.icar.gov.in, which is hosted at and managed by ICAR-Indian Agricultural Statistical Research Institute, New Delhi. Access rights shall be arranged once the software and Apps are ready.

5. Intellectual Property Rights
• The intellectual property rights of the softwares and mobile apps developed and copy rights of the design and content of the softwares and mobile Apps shall rest with ICAR-DCR, Puttur. The selected firm shall provide the source code at the time of sign-off.
• The developed softwares and mobile app will be the property of ICAR-DCR, Puttur and the firm shall not lease, sale, share the source code of the softwares to any other entity.

6. Training
For the effective use of the application and its associated licenses etc, the selected firm shall compulsorily provide training for ICAR-DCR, Puttur team at ICAR-DCR, Puttur.

7. Operation and support
Successful bidder shall provide one year warranty for the softwares and the mobile Apps from the date it go live.
8. Change management, upgrades and updates
Successful bidder shall be responsible to carry out changes in software/mobile Apps at no additional cost to ICAR-DCR for any changes required for functions, improvements or any configuration changes etc as per the requirements of ICAR-DCR, Puttur during the one year warranty period. Additional proposals may be submitted by the agency/DCR in future for upgradation of the software for additional language capabilities.

9. Mobile Apps Offline with occasional update
The mobile app will be openly accessible and work offline once installed, but with ability to track usage once the user is online. The user needs to complete the one time registration process during first installation. The registration for the mobile app will be displayed only for the first time login of a user.

10. Mobile App
Robust and user friendly content management system should be provided with the following features.

- Admin user to be able to create, publish / unpublish and delete all the content.
- Admin user should be able to sort and search data.
- Administrator should be able to edit and update the menu titles and all the contents of the app.
- The settings page should have options such as Change language, About us, Features and copy rights, Other useful resources, Share the app, Report bug, change text size, Uninstall the app (with reason for uninstall), Rate the app.
- There should provision to add many more languages in future.
- Any additional features to make the app more user friendly and attractive will be part of the work.

11. Mobile app support login: A login must be provided to support the admin, for viewing the following:
- Number of active installs
- Total downloads
- Total feedback received
- Total Uninstall
**Support to enter reason for uninstall**

**Mobile app crash report**

**Notification management**

**Administrator must be able to manage push notification to be sent to the active users. The administrator also must be able to plan and prepare auto sending of notification on timely basis**

12. The designs given in the tender document are for giving the firms general idea of the work requirement only. Bidders are also requested to visit [https://cashew.icar.gov.in/soil/](https://cashew.icar.gov.in/soil/). All efforts shall be made to make the softwares and Apps as user friendly as possible and also attractive.
