

Directorate of Cashew Research, Puttur observes Vigilance Awareness Week

The Central Vigilance Commission has declared that the week from 27 October 2020 to 2nd November 2020 will be observed as “Vigilance Awareness Week”. The main focus of Vigilance Awareness Week – 2020 is “Satark Bharat, Samridhd Bharat” (Vigilant India, Prosperous India). On commencing the Vigilance Awareness Week, Directorate of Cashew Research, Puttur organised a pledge taking ceremony on 27 October 2020 wherein all the staff members took the integrity pledge for organisation and for individuals administered respectively by Dr. Shamsudheen M, Vigilance Officer and Mrs. M. Rathna Ranjini, Assistant Administrative Officer. The integrity pledge for the staff members at Experimental Farm, Shanthigodu was administered by Dr. K. Vanitha, Scientist-in-Charge (Farm).

The week long activities during the period is intended to create awareness about the transparency, accountability and corruption free governance among the staff members and civil society. Various activities like internal housekeeping, talk on the theme of the year, displaying posters and banners shall be part of the week long activity being organised at DCR, Puttur.
