In the beginning, Dr. J. Dinakara Adiga, Chairman, ITMC, DCR, Puttur welcomed the ITMC Members for the 22nd ITMC meeting. Dr. Siddanna Savadi, Member Secretary presented activities of the ITMU and Action Taken Report (ATR) on proceedings of the previous ITMC meeting. In continuation of the presentation and discussion on ATR, agenda items of the present meeting were discussed and the following decisions were taken.

- With regard to licensing of Nethra Ganga to the Universities/ government agencies, the license fee was reduced from Rs. 5 lakh+18% GST to Rs. 2 lakh +18% GST.
- For commercialization of three varieties together viz., Nethra Ganga, Nethra, Jumbo-1 and Nethra Vaman (totally costing 8 lakhs for private agencies and 5 lakh for Govt. Agencies) was reduced by Rs. 50000/-, if are purchased together, i.e. as a package of the three above mentioned varieties. The package cost would be Rs. 7.5 lakh+18%GST and 4.5 lakh+18%GST for private and govt agencies, respectively.

- For enhancing the commercialization process of varieties, the committee suggested to communicate the licensing information of varieties to the Lalbagh Nursery Men's cooperative, Bengaluru, Directors of Research (DRs) of SAUs (UHS, Bagalkote; UAS, Bangalore, Professor Jayashankar Telangana State Agricultural University, Rajendranagar, Hyderabad). Besides suggested to contact IIHR for nurseries list and to put commercialization information on website.
